

# Calling all Defence Team Members!

## Empower Your Spirit - Join a Defence Advisory Group!

All Defence Team members are invited to participate in one of our five Defence Advisory Groups (DAGs), created to provide advice and grassroots insight to DND and CAF members and leadership.

Come out to a meeting or event (virtual or in-person) and

meet your peers, participate in learning opportunities, and help foster a more enriched work environment for yourself and others.

For more information about each group and upcoming events or meetings, please consult the specific group.
